## Petition to Revive under 35 C.F.R. § 1.137(b)

Commissioner for Patents Mail Stop Petition P.O. Box 1450 Alexandria, VA 22313-1450

## Dear Sir:

The above referenced application has unintentionally fallen abandoned due to the inadvertent failure to timely file a proper reply to the Office Action December 24, 2002. More particularly, Applicants filed a Request for Continued Examination, along with an Amendment on June 24, 2003 in response to the Office Action. The Request was denied due to a lack of funds in Applicants' deposit account to cover the filing fee associated with the Request. In order to revive the status of the application, attached herewith is a Petition for Revival of an unintentionally Abandoned Application under 37 C.F.R. § 1.137(b). Applicants hereby state that the entire delay in responding to the outstanding Office Action was unintentional, as Applicants were unaware of the lack of funds in the deposit account. Applicants have replenished the funds in the deposit account, and hereby authorize the Commissioner to debit Deposit Account 50-1271 for

the fees associated with the Petition to Revive, including the Petition Fee of \$665.00, the filing fee required for the Request for Continued Examination of \$385.00, and fees for the extension of time of three (3) months (\$475.00). As noted above, Applicants previously submitted an Amendment in response to the Office Action mailed December 24, 2003 along with the Request for Continued Examination, on June 24, 2003, and request entry and consideration of the amendments and remarks contained therein. A copy of the Amendment and Request for Continued Examination is attached herewith.

The Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-1271 under Order No. R-372.

Respectfully submitted,

Date: October 27, 2003
